

## PRODUCT INFORMATION

## Post Top - Modern

## AREA LIGHT

### Intended Use

High performance energy efficient post top LED area lights for parks, commercial building walkways, parking lots and streets.

### Features

- Architectural round die-cast aluminum post-top designed to replace up to a 100-400W MH luminaire
- LEDs deliver a long service life and eliminate the frequent lamp changes associated with traditional sources
- Precision-engineered light spread design delivers exceptional uniformity and directional lighting
- Die-cast aluminium housing with an impact-resistant, tempered glass lens for enhanced durability

### Listings

- Conforms to UL 1598
- DesignLights Consortium® qualified product
- IP65 Rated

### Warranty / Life

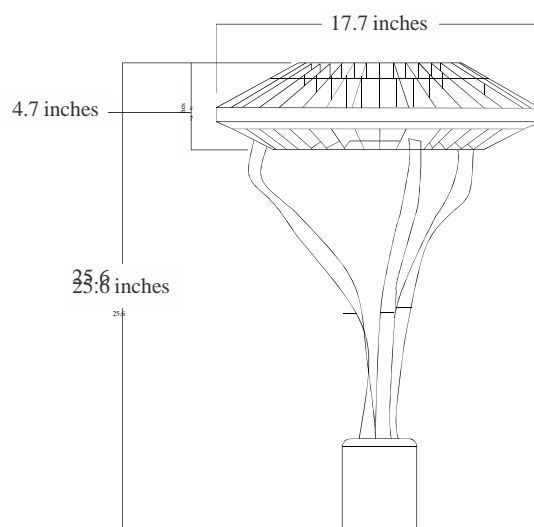

- 5 Years
- 50,000 Hours
